

## NMCA, Inc. News & Information

January 2011

### Announces 2011 Workshops & Institutes

**N**MCA, Inc. is pleased to announce its NEW 2011 program of theater workshops and Intensive Theatre Institutes. The 2011 Calendar is filled with exciting and useful training tools for Actors, Directors, and Teachers, who want to enhance their own performances, with classes and media products. The techniques, created by Michael Chekhov, "Greatest Russian Actor," are presented by Lisa Dalton, Wil Kilroy, and other Certified Teachers, to participants who want to work at the highest levels, ever in the moment, consistently, inspired by imagination and practical insight. The 2011 workshops will enable that kind of result.

#### Michael Chekhov website debuts

Visit the NEW Michael Chekhov website at [MichaelChekhov.net](http://MichaelChekhov.net) filled with background info, historical and practical information about Michael Chekhov and his truly inspiring and practical techniques for Actors, Directors, Teachers, and Lisa Dalton, Master Teacher.

#### NMCA, Inc. springs to life as a new non-profit organization

After 18-years of promoting, educating and radiating the legacy of Michael Chekhov to the world, Lisa Dalton and Wil Kilroy, along with Charlie Bowles, have incorporated NMCA, Inc. This organization will take over the formal production of workshops, training, and media promotion. Watch for more information about this when the new NMCA, Inc. website launches.

#### Check the NEW Event Calendar

The Event Calendar lists the full-year program with links to information and online registration is now available on the website. Explore these workshops to discover what inspires you.
